Technical Description

This Castle warehouse step features a large non-slip aluminium platform (48x77cm) which is also equipped with a big tool tray. The double sided handrails offer a comfortable climbing and descent while your boots sit comfortably on a 150mm deep tread. The folding handles make this step easy to manoeuvre into position with its front and rear castors.

- » Very firm aluminium warehouse step with castors and double handrails
- » Folding for transport and storage
- » Climbing side with 60° slope for a more comfortable ascent
- » Large and non-slip sheet aluminium platform
- » Tool tray fitted
- » Folding handles
- » 80mm ø turning and self-blocking front castors
- » 125mm ø rear castors with brakes

Standards & Classification

- » Max Load 150kg
- » EN131

Warranty

- » 5 Years
