## Technical Description

The robust engineering and construction ensures proven performance of this compact multi-function ladder making it ideal for trade use. This professional ladder is fitted with stabiliser bars at both ends to help reduce sideways movement and keep you safe while you work.

- » Multiple configurations including A-frame step, straight ladder or work bench
- » Robust hinge durability tested to 6,000 cycles
- » Box-section aluminium construction for extra rigidity
- » Durable black anodised finish
- » Extra-wide horizontal stabiliser bar and oversized feet for optimum stability

## Standards & Classification

- » Max Load 150kg
- » EN131 (1303-020)

## Warranty

- » 3 Years

## Commodity Code

- » 76169990
