## Technical Description

All the versatility of a Little Giant in super strong fibreglass. Together with the tough hinge you have the most compact, versatile and durable fibreglass ladder in the world. Little Giant is now proving popular with major utilities, telecoms engineers and railway maintenance teams.

- » Stiles manufactured from non-conductive Fibreglass
- » Unmatched stability thanks to the Quad-Lock™ hinge and wide-flared legs
- » Use the Dark Horse as multiple sizes of A-frame, extension, 90-degree ladders, or as a scaffold system
- » Buy one ladder to do the job of five
- » Use the right ladder for the right job every time and avoid 95% of all ladder-related safety issues

## Standards & Classification
