

Little Giant King Kombo Industrial 3-in-1 Extension Ladder

[Representative image of product]

Features

- Ultra-heavy-duty feet with aggressive tread for elite traction
- Tough corner, pole and stud gripping V-bar for the extension ladder position
- Heavy-duty grip conforms to inside and outside corners and even offers protection for damageable leaning surfaces such as paint, drywall and stucco
- Patent-pending non-conductive Hi-Viz green fibreglass makes the ladder more noticeable
- Wide-flared side offers superior side-tip stability
- Straight side allows operators to access tight work spaces between stud gaps, ceiling trusses and attic access ports
- This ladder brings speed, power and safety to any job with palm buttons for easy adjustment

Product Dimensions

SKU	Rungs /Sections	Closed Length (mm)	Last Climbing Height	Approx. Working Height ¹ (mm)	Extended Length (mm)	Width (mm)	Depth (mm)	Nett Weight (kg)
1303-205	5 x 2	1540	1500	3100	2600	640	180	9.0
1303-206	6 x 2	1840	1800	3400	3000	640	180	9.9
1303-208	8 x 2	2440	3000	4600	4200	730	180	12.8

¹ Working height is calculated as 1,600mm plus platform height or last climbing tread, whichever is appropriate. Ladders set at an angle of 75° degrees.

Little Giant King Kombo Industrial 3-in-1 Extension Ladder

Product Description

Little Giant's King Kombo™ is the world's first and only 3-in-1 extension ladder, leaning ladder and stepladder combination, in one lightweight package. The King Kombo™ was built for those who get stuff done! King Kombo™, with ultra-heavy-duty feet, seriously aggressive tread for elite traction and durability for harsh industrial environments. King Kombo™ also brings a tough corner, pole, and stud gripping V-bar for the extension ladder position. This heavyduty grip conforms to inside and outside corners and even offers protection for damageable leaning surfaces like paint, drywall, and stucco and round poles. Speed, power, and safety prepare to be faster and safer than ever on the job!
