»*Working height is calculated as 1,600mm plus the height of the platform or last climbing tread, whichever is appropriate.

»Tread count includes top platform step

Technical Description

The simple folding mechanism make this step easy to locate into areas with restricted access. The tilt and push design make them easy to manoeuvre around the warehouse and racking.

- » Simple tilt and go design for manoeuvrability
- » Folds for transport and access
- » Solid perforated 180mm treads provide excellent slip resistance and drainage
- » Comfortable 560 x 380mm platform
- » Scratch resistant finish
- » ***Not suitable for outdoor use*** - see galvanised option below

Standards & Classification

- » Max Load 150kg

Warranty

- » 1 Year

Commodity Code

- » 73269030
