- \* Working height is calculated as 1,600mm plus the height of the platform or last climbing tread, whichever is appropriate.
- Tread count includes top platform step.

## Technical Description

The Industrial Bridging Step utilises extra-large 150mm deep steps with handrails on both sides of the platform for maximum safety. Ideal for use in factories and distribution centres for safe access over machines and conveyor systems.

- » Supplied with double handrail for safety
- » Large 150mm deep steps
- » Comfortable climbing angle
- » Durable slip and wear resistant platform
- » Can be used freestanding or secured to the floor
- » Robust aluminium die-cast hinges

## Standards & Classification

- » Max Load 200kg

## Warranty

- » 5 Year
