Product Description

The TB Davies Side Access Steps are manufactured from 6061 T6 (Aircraft Grade Alloy) aluminium profiles, fitted with a removable guardrail. Designed to keep rail maintenance and construction crews safe whilst working at heights above and around the rail carriage.

The leading edge is fitted with D-rubber to protect the front of the train from damage. A wide platform area ensures a full 360 degree work space as well as give easy access to the side door of the rail carriage. The work platform can be constructed to your exact requirements, including up and down steps, cantilevered steps and steps with a follow on walkway.

[Please note that the dimensions are adjustable to fit your exact requirements. Ask our sales team for details.]

Features

- Modular aluminium platform step
- Fitted with removable guardrails and handrails
- Retractable side mounted stabilisers with large rubber feet
- Heavy-duty locking castors
