

HDUTY-P Aluminium Professional Platform Step

[Representative image of product]

Product Description

Ideal for all professional and commercial use. The TB Davies Professional Platform Step Ladder replaces the classic class 1 step. Our new step ladder complies with current EN131 Professional standards, so you can be assured that you are standing on a top-quality ladder product. The TB Davies Professional Platform Step is a step ladder designed for hard work, day after day. The TB Davies Professional Platform step is manufactured using ribbed aluminium stiles, with a non-slip platform tread, a fitted top tool tray and an integrated hook. The hinges are die-cast and have polyamide/nylon fixings, making the step opening smoother and helping prevent wear and tear. The treads are 85mm deep, offering greater comfort on your feet. The treads are crimped, not riveted, for maximum strength. Our professional steps have one of the broadest size ranges, from 3 to 12 treads. Note, webbing straps fitted on all sizes from 5-treads and above.

Features

- Aluminium die-cast platform for maximum grip
- Comfortable 85mm welded & crimped treads
- Heavy duty all aluminium construction for longlife
- Fitted with integrated tool tray and hook
- Oversized slip resistant feet provide extra firm footing

Specifications

- Brand: TB Davies
- Warranty: 5-year
- Max Load: 150kg
- Standard: EN131 PROFESSIONAL
- Material: Aluminium
- Commodity Code: 76169990
- Country of Origin: IT
- Recommended Usage: Regular

Common Dimensions

- Tread Depth: 85mm
- Distance Between Treads: 230mm
- Storage Depth: 140mm
- Top Platform Tread (LxW): 330 x 255mm
- Handrail Height: 610mm
