

King Kombo Professional (Aluminium)

[Representative image of product]

Product Description

Little Giant's King Kombo™ Professional is the world's first and only 3-in-1 extension ladder, leaning ladder and stepladder combination, in one lightweight package. King Kombo™ was built for those who get stuff done! King Kombo™, with ultra-heavy-duty feet, seriously aggressive tread for elite traction and durability for harsh industrial environments. This professional step conforms to inside and outside corners and even offers protection for damageable leaning surfaces like paint, drywall, and stucco and round poles. Speed, power, and safety prepare to be faster and safer than ever on the job!

Features

- Ultra-heavy-duty feet with aggressive tread for elite traction
- Heavy-duty grip conforms to inside and outside corners and even offers protection for damageable leaning surfaces such as paint, drywall and stucco
- Wide-flared side offers superior side-tip stability
- Straight side allows operators to access tight work spaces between stud gaps, ceiling trusses and attic access ports
- This ladder brings speed, power and safety to any job with palm buttons for easy adjustment
