

HyperLite SumoStance Hi-Viz GRP Fibreglass Ladders

[Representative image of product]

Product Description

The HyperLite? SumoStance® is the only extension ladder in the world with Little Giant?s patented SumoStance leveling outrigger system, which more than doubles the ladder?s base width and increases side-tip stability. The SumoStance?s intuitive safety features help ensure a safe, stable set-up for any job on almost any surface and is lighter than any other manufacturer?s lightest ordinary extension ladders. To be precise: the HyperLite SumoStance, with the added safety of leveling outriggers, is still lighter than any other traditional extension ladder without sacrificing strength and stability. The HyperLite SumoStance also offers a side-to-side bubble level and front-to-back angle indicator, making it possible to set up the ladder safely. It also features Little Giant?s unique side-mounted, dual-pulley system, which reduces the effort required to lift the fly section by 45% and removes the potential trip hazard caused by traditional center pulley rope systems. Its wide rungs let you work comfortably without foot fatigue. The patent-pending Sure-Set? foot allows you to set the feet in either flat or spike positions and have them stay in place. Little Giant?s exclusive nonconductive hi-viz green rail has been scientifically proven to be the most visible hue of the color spectrum to the human eye. Why should a ladder need to be hi-viz? Some of the most catastrophic falls are caused by people who walk or drive into an extension ladder in use. People die simply because the ladder was not visible. **[1303-852] 2.6m Little Giant HyperLite SumoStance Ladder is not supplied with Side Mounted Double Pully Rope.

Features

- Little Giant's patent-pending Hi-Viz Green
- Ground Cue? fitted as standard - alerts user via audible/sensory signal that last rung is reached
- Sure-Set? feet - use in either spiked or rubber foot position for maximum traction on all surfaces
- Side-mounted independent stabilising bars with 10mm adjustments enable perfect leveling on uneven ground
- Side mounted double-pulley reduces force required to raise the ladder and removes potential tripping hazard
- Pole bow fitted in place of top rung
- Lighter than comparable aluminium extension ladders
- Twin-mounted spirit levels

Specifications

- Brand: Little Giant Ladder Systems
- Warranty: 1-year
- Max Load: 150kg
- Standard: ANSI-ASC A14.5-2007
- Material: GRP Fibreglass/Aluminium
- Commodity Code: 39269097
- Country of Origin: US
- Recommended Usage: Intensive

Common Dimensions

- Rung Depth: 35mm
- Distance Between Rungs: 300mm

Availability & Delivery

- Stock item. Delivery next day.
(See exceptions, if applicable, overleaf)

HyperLite SumoStance Hi-Viz GRP Fibreglass Ladders

Product Dimensions

SKU	Rungs /Sections	Last Climbing Height (mm)	Approx. Working Height ¹ (mm)	Closed Length (mm)	Extended Length (mm)	Width (mm)	Stabiliser Bar Width (mm)	Depth (mm)	Nett Weight (kg)
1303-852	8 x 2	3106	5056	2628	4267	570	1143	152	14.6
1303-856	10 x 2	4348	6298	3238	5486	570	1143	152	17.7
1303-860	12 x 2	5590	7540	3835	6705	570	1143	152	21.1
1303-864	14 x 2	6833	8783	4432	7924	570	1143	152	24.1

¹ Working Height is an approx. calculation of 1,950mm plus platform height or last climbing tread, whichever is appropriate. Ladders set at angle of ~75° degrees.

Shipping Dimensions

SKU	Shipping Length (mm)	Shipping Width (mm)	Shipping Depth (mm)	Shipping Volume (m ³)	Gross Weight (kg)
1303-852	2642	600	152	0.241	17.0
1303-856	3252	600	152	0.297	20.5
1303-860	3861	600	152	0.352	24.3
1303-864	4471	600	152	0.408	27.6

Packaging Material — Heavy-duty Cardboard Sleeve, Poly Wrap And Foam Inserts
